

**CLEAN OFF-ROAD EQUIPMENT VOUCHER
INCENTIVE PROJECT (CORE)**

***San Diego Ride and Drive
April 2026***

CORE PROJECT OVERVIEW

- Established in 2020 to help offset the higher cost of commercially ready zero-emission off-road equipment in California through point-of-sale discounts.
- Scrappage of existing internal combustion equipment is not a requirement.
- Stacking, or combining CORE funding with other public funding programs, is allowed.

\$473 M

In funding appropriated over the life of the project

700+

Vouchers awarded

2,350

Zero-emission heavy-duty equipment deployed in CA

BENEFITS OF ZERO-EMISSION OFF-ROAD EQUIPMENT

- Less maintenance on equipment
- Lower operating costs
- Fuel savings
- Noise reduction
- Reduces operator fatigue
- Increases safety and improves public health

HOW DOES CORE **WORK?**

CALSTART

info@californiacore.org

- Administers the project
- Dealer approvals
- Purchaser resource for questions

CARB

CORE@arb.ca.gov

- Develops the policy, implementation manual
- Approves equipment eligibility

TETRA TECH

californiaCORE@tetrattech.com

- Distributes voucher funding
- Coordinates between CORE staff and voucher applicants

FY25-26 CORE **PROJECT UPDATES**

- **CARB has released the proposed FY 2025 - 26 and FY 2026 - 27 AQIP Funding Plan**
- **Subscribe to the CORE email list serve for notifications on key events**
 - The IM release
 - Funding updates
 - CARB's Workgroup Webinar
 - Key project dates
 - and more
